MEDICAL BOARD OF CALIFORNIA  
DEPARTMENT OF CONSUMER AFFAIRS  
STATE OF CALIFORNIA

In the Matter of the Accusation against:

**Anthony James Musielewicz, M.D.**

Case No. 800-2018-048262

Physician's and Surgeon's  
Certificate No. G 74503

Respondent.

CEASE PRACTICE ORDER

In the Medical Board of California (Board) Case No. 800-2018-048262, the Board issued a Decision adopting a Stipulated Settlement and Disciplinary Order, which became effective August 21, 2021. In the Board's Order, Physician's and Surgeon's License No. G 74503, issued to Anthony James Musielewicz, M.D., was revoked. The revocation was stayed, and Respondent was placed on seven (7) years' probation with terms and conditions.

Probationary Condition No. 1, Controlled Substances – Abstain from Use, requires Respondent to abstain completely from the personal use or possession of controlled substances as defined in the California Uniform Controlled Substances Act, dangerous drugs as defined by Business and Professions Code section 4022, and any drug requiring a prescription. This prohibition does not apply to medications lawfully prescribed to Respondent by another practitioner for a bona fide illness or condition.

Probationary Condition No. 6, Biological Fluid Testing, requires Respondent to immediately submit to a biological fluid test upon request of the Board or its designee, and make daily contact with the Board or its designee to determine whether biological fluid testing is required. If a biological fluid test result indicates Respondent has used, consumed, ingested, or administered to himself a prohibited substance, the Board shall order Respondent to cease the practice of medicine.

Probationary Condition No. 9, Violation of Probation for Substance Abusing Licensees, requires that a cease-practice order shall be issued immediately if Respondent commits a major violation of probation as defined by section 1361.52 subdivision (a), Title 16 of the California Code of Regulations.

Respondent has failed to obey Probationary Conditions No. 1, 6 and 9 as ordered in the above referenced Decision, when on October 26, 2021, he tested positive for metabolites for methamphetamine, and on November 1, 2021, he failed to submit to biological fluid testing when selected to do so. As such, he committed major violations, per the Uniform Standards for Substance Abusing Licensees.

Accordingly, Respondent, Anthony James Musielewicz, M.D., is prohibited from engaging in the practice of medicine. Respondent shall not resume the practice of medicine until notified in writing by the Board or its designee that he has completed thirty (30) calendar days of continuous negative biological fluid tests indicating he has not used, consumed, ingested, or administered to himself a prohibited substance.

IT IS SO ORDERED December 6, 2021 at 5:00 p.m.
